

## 2016 Permit Parking Program

### Permit Parking Program (Ordinance 2006-23 as amended by 2006-35).

Permits for compliance with the program for 2016 will be available from the Municipal Building 215 Stiger Street, starting **December 1st.**

Please complete the enclosed certification of renewal and bring it with you to the Municipal Building along **with your driver's license and registration for each vehicle** (up to four) to obtain your 2016 parking permits. Please note that if you lease your vehicle, you must bring your lease in order to obtain a permit for that vehicle.

*Permits must only be placed on the rearview mirror of your vehicle.* Failure to place the permit on the rearview mirror may result in a summons being issued. Should a replacement be needed because of the permit being worn or torn, the owner of the permit must return the old one and a new one will be given in its place.

Should you have any questions, please contact the office staff at 908-852-3130. There is no charge for the permits.

Very truly yours,

William W. Kuster, Jr.
