

Dear Property Owner/Business Owner,

The Town of Hackettstown has entered into a shared service agreement with Mount Olive Township to provide Fire Official services effective January 1, 2014.

All inspection and certification services will still be provided, but as noted above, will now be through the Mount Olive Township Fire Official office. After December 31, 2013 all calls and inquiries should be directed to Mount Olive at 973-691-0900, x7326 and you should expect correspondence from the Mount Olive Fire Official office on their letterhead during 2014.

Certainly, any questions that you may have can be address either by Mount Olive Township or through calls to the Hackettstown Municipal Building at 908-852-3130.

Thank you for your cooperation.

yours,

Very truly
