

ATTENTION HOMEOWNERS AND CONTRACTORS

As per the State of New Jersey, all construction inspection requests must be in writing as of April 1, 2024. Therefore, we are asking that all homeowners and contractors use the SDL (Spatial Data Logic) portal, which is our Building Department program.

Please sign on to <https://www.sdlportal.com/login> to access inspection requests. You MUST have your permit number to schedule the inspections.

N.J.A.C. 5:23-2.18

(c) Notice for inspection:

1. The owner or other responsible person in charge of work shall notify the enforcing agency, **in writing**, when the work is ready for any required inspection specified herein or required by the construction official or appropriate subcode official. This notice shall be given at least 24 hours prior to the time the inspection is desired. This notice shall represent an attestation on the part of the owner, other than single-family owner-occupants performing their own work, or other responsible person in charge of work, that the work has been completed in conformance with the code and is ready for inspection. The request shall be considered received on the next business day after it was sent if the request was sent outside of normal business hours.

If you have any questions, please contact our office at (908)850-0660 ext. 118 or 119.
