COVID-19 RELEASE FOR USE OF FACILITIES AND RECREATION EVENTS

The novel coronavirus, COVID-19, has been declared a worldwide pandemic by the World Health Organization. COVID-19 is extremely contagious and is believed to spread mainly from person-to-person contact. It is believed that an individual can be infected with COVID-19 without their knowledge and be asymptomatic. The Town of Hackettstown has put in place preventative measures to reduce the spread of COVID-19. However, The Town of Hackettstown cannot guarantee that I/We or anyone else will not become infected with COVID-19, including my spouse, guests, unborn child, or relatives. Participation in a Town of Hackettstown sponsored athletic sports program(s), related activity or event or using The Town of Hackettstown facilities could increase the risk of contracting COVID-19.

By signing this release, I/We acknowledge the contagious risk of contracting COVID-19. By signing this release I/We acknowledge the contagious nature of COVID-19 and VOLUNTARILY assume risk that I/We may be exposed to or infected by COVID-19 by participating in a Town of Hackettstown athletic sports program(s), related activity or event or by the use of The Town of Hackettstown facilities and that such exposure or infection may result in personal injury, illness, permanent disability, and death to myself, myself or others, including but not limited to, Town of Hackettstown employees, volunteers and program participants. I/We understand and voluntarily accept and assume all the foregoing risks related to COVID-19 and accept sole responsibility for any injury or illness that may occur.

Further I/We understand and agree that this release includes any claims based on the actions, omissions, or negligence of The Town of Hackettstown, its employees, agents, officers, volunteers and assigns, whether a COVID-19 infection occurs before, during, or after participation in any Town of Hackettstown athletic sports program(s), related event or activity or by the use of facilities.
