Greetings!

NJSave offers assistance to seniors, adults with disabilities and other qualifying individuals through Medicare Savings Programs (to help with their Medicare premiums) and Prescription Assistance Plans. Our trained office staff have the ability to screen individuals and their caregivers for available programs through NJSave and help them apply for these programs.

Enclosed are some flyers on how NJSave programs can help qualifying individuals in our County. Kindly keep these flyers in your township office for individuals to access this information or to guide those who are in need of such assistance. Should you wish to distribute these flyers in your routine mailings to your local households, please contact our office to order additional copies of this flyer.

Feel free to post this flyer information on your Web Page or Facebook postings. If you need any further information, please contact our office at 1-877-222-3737 or 908-475-6591.

Sincerely,

Lakshmi Baskaram
